## Heightrider 12

The Nifty Height Rider 12 is one of the most versatile and reliable machines in its class. It is specifically designed to give maximum reach performance from the lightest, most compact base possible. A telescopic upper boom gives improved accuracy when positioning the platform and superb manoeuvrability makes it an ideal tool for a wide range of applications.

### SAFETY FEATURES

- Automatic Failsafe Brakes
- Tilt Alarm
- Foam Filled or Solid Tyres
- Manual Descent with Hand Pump
- Dual Controls (Platform & Base)
- Lock Valves on all Hydraulic Cylinders
- Dual Harness Points
- CE Mark

Due to a policy of continuing development and improvement, Niftylift reserves the right to change any specification without notice. Please confirm exact specification before ordering.

The HR12's Bi-Energy option allows it to work for extended periods inside and outside, making it the perfect all-rounder.
